The Department shall pay all costs associated with a student taking the college entrance exam pursuant to §22-7-1006.3(2)(c)(II), C.R.S. In addition, the State Board is required to adopt rules pursuant to §22-7-1006.3(2)(d) to ensure that any requirements of the administrator of the college entrance exam, such as a secure environment, are met and to identify the level of need that a student must demonstrate to take the college entrance exam on a date on which the exam is administered throughout the country.
