1 CCR 301-56

[Editor's Notes follow the text of the rules at the end of this CCR Document.]

Editor's Notes

In 2003, the State Board of Education approved the Rules for the Administration of Colorado Online Programs (1 CCR 301-56). With the passage of SB07-215, which repealed former statute regarding online program requirements, and with the promulgation of the 2008 Rules for the Administration, Certification and Oversight of Online Programs (1 CCR 301-71), the repeal of 1 CCR 301-56 is necessary in order to comport with current statute.

History

Entire rule repealed eff. 11/30/2008.
