

RESOLUTION # 6
(Series of 2026)

**A RESOLUTION OF THE BOARD OF SELECTMEN FOR THE TOWN OF
GEORGETOWN, COLORADO AMENDING THE TOWN FEE SCHEDULE**

WHEREAS, the Town of Georgetown is a Colorado municipal corporation operating under a Territorial Charter and governed by its Board of Selectmen; and

WHEREAS, the Board is authorized to adopt rules, regulations and restrictions for the protection of the public health, safety and welfare; and

WHEREAS, in the exercise of this authority, the Board of Selectmen has previously adopted the Town Fee Schedule via resolution, pursuant to Code Section 3.16.010; and

WHEREAS, the Board of Selectmen is also authorized to adopt water system development fees by resolution pursuant to Code Section 13.18.030; and

WHEREAS, the current Fee Schedule provides for water system development fees at two levels: "Development" and "Large Development" projects, respectively; and

WHEREAS, the Board finds that, upon the advice of the Town's consulting engineer, development fees for the water system should be based on a single metric - the number of Equivalent Residential Units (EQR's) proposed to be added to the system by the development involved, and the Board wishes to amend the Fee Schedule accordingly.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SELECTMAN FOR
GEORGETOWN, COLORADO:**

Section 1. The water system development Fee Schedule previously approved by Resolution WWE-2 on June 28, 2022, is amended by combining the existing schedule lines for "Development" and for "Large Development," into a single schedule line entitled simply "Development," and establishing the development fee for that single category as \$11,475 per EQR.

Section 2. This Resolution shall be effective immediately upon adoption.

RESOLVED, APPROVED and ADOPTED this 10 day of March 2026.
